Overview November 2026

Wahiawā Health

A federally qualified health center, providing residents of Wahiawā, Waialua, Mililani, Schofield, Kunia and our neighbors a single point of access to comprehensive and quality health care.

Primary Care for Adults

We provide preventive and acute medical services, including:

- Physicals, sick visits, chronic disease management
- Laboratory services and screenings
- Health education and counseling

Primary Care for Infants and Children

- Well-child checkups between 2 weeks and 3 years, and yearly after age 3
- Immunizations for school entry and sports physicals

Women's Health and OB-GYN Care

- Pre- and post-natal care, including ultrasounds and nutritional planning; annual exams and birth control
- Testing and treatment for STDs

Men's Health

- Comprehensive wellness services to optimize men's health
- Health screenings and annual exams

Military and Veteran Care

- Wahiawā Health is committed to helping veterans, military families and their dependents with their health care needs
- Regardless of insurance status, we are here to help

Podiatry

Specializing in diagnosis and treatment of conditions and disorders of the foot, ankle and lower leg.

Behavioral Health

We can evaluate the mind-body-behavior connection to help improve the choices you make about your health.

- Mental health, anxiety, depression, PTSD counseling
- Stress and anger management
- Substance addiction treatment and therapy
- Quitting smoking & weight management

Diabetes Specialty Center

Our team provides education to help improve quality of life, self-management of the illness and reduction of medical costs.

- Diabetes screening, diagnosis, prevention and evaluation
- Monitoring lowering A1C levels, blood pressure and cholesterol
- Monitoring oral medications and, if required, insulin use

Geriatric Specialty Center

Our team is committed to empowering patients, their families and caregivers to increase access to care.

- Management of medications, mentation (mental activity), mobility, and what matters most to the patient
- Cognitive testing

Pharmacy

Our in-house pharmacy provides medication management, pill pouch packaging, free medication delivery on Oahu, and financial assistance for patients.

Insurance

We accept all forms of insurance, including AlohaCare, HMSA, UnitedHealthcare, HMAA, Ohana Health Plan, UHA, Tricare Select, Medicare, Medicaid and other private insurance. If you do not have insurance, we can assist with enrollment and provide discounted services on a sliding fee scale.

If you do not have insurance, please bring ONE of the following for income verification:

- Recent pay stub
- Tax return
- Unemployment registration
- Proof of Department of Human Services benefits
- Proof of Temporary Assistance for Needy Families

Plus ONE item to verify identity:

- Driver's license
- State ID
- Passport or green card
