

Patient Safety is Very Important to Us

- Patients calling in for appointments will be screened over the phone and asked if they have any of the following COVID symptoms:
 - Fever or chills, cough, shortness of breath, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion, runny nose, nausea, vomiting or diarrhea.
- If a patient has COVID symptoms, they will be asked to call the clinic when they arrive and wait in their car for a medical assistant to conduct a COVID test.

Face Mask Policy

- Patients are encouraged to wear a face mask.
- Face masks will be available for patients that request one.
- Patients with COVID symptoms will be asked to wear an N-95 face mask. Your provider will see you in person wearing protective gear.
- Social distancing is still recommended in waiting areas.

In the spirit of Aloha and compassion, we provide access to affordable, quality health care and wellness services to promote a healthy community.

Conveniently located at:

**302 California Avenue,
Wahiawā, HI 96786**
