**Haunani Louis, MSN, APRN-RX, FNP-C, PMHNP-BC**  
Family Nurse Practitioner, Psychiatric Mental Health Nurse Practitioner and Director of School-Based Health

Haunani Louis is a board-certified family nurse practitioner with over 17 years of nursing experience to Wahiawā Health. Born and raised in Pahala, on Hawai'i Island, Haunani is a graduate of Kamehameha Schools and a two-time Native Hawaiian Health Scholarship recipient.

She earned her bachelor's degree in nursing from Hawai'i Pacific University and her master's degree in nursing from the University of Southern California.

**Catherine Nguyen Huy, FNP-BC, APRN-RX**  
Nurse Practitioner

Catherine brings over a decade of nursing experience across community health, acute medicine, and mental health, with advanced training in family practice and pediatrics. She has served diverse populations in both Canada and the U.S., including indigenous and multilingual communities. Catherine is fluent in English and French, with additional proficiency in Spanish and Vietnamese.

**Tami T. Swonigan, PsyD**  
Licensed Clinical Psychologist

Dr. Tami has coordinated and consulted across disciplines and organizations, including the Department of Education, Department of Health and the U.S. Department of Veterans Affairs. She has provided presentations and direct care, and developed and facilitated psychotherapeutic, support, and skills building groups to service the needs of children, adults, and parents.

**Antoine Khalil, LMHC**  
Licensed Mental Health Counselor

Antoine brings over 20 years of experience in child welfare and family services, supporting individuals, adolescents, couples, and families through times of crisis, transition, and healing. He is known for being calm, patient, and easy to talk to, and he prioritizes creating a safe, respectful and non-judgmental space for healing and growth. He recognizes how support, understanding and practical tools help families rebuild trust, improve relationships, and heal from difficult experiences.

**Our Mission:**  
**In the spirit of aloha & compassion,**  
**we provide access to affordable,**  
**quality health care & wellness services to**  
**promote a healthy community.**

# Wahiawā Health

A federally qualified health center, providing residents of Wahiawā, Waialua, Mililani, Schofield, Kunia and our neighbors a single point of access to comprehensive and quality health care.

*We're here to support your child's health and success in school!*

## MEDICAL SERVICES

Our care team provides a variety of health screenings and physical exams to keep students healthy and identify preventative measures. Routine immunizations and acute care such as mild injury or infection, are also offered by our highly qualified providers.

### Medical Services Include:

- Sick visits
- Minor acute care
- Preventive care
- Immunizations (including flu vaccines)
- Health screenings
- Referrals as needed

## BEHAVIORAL HEALTH SERVICES

We believe behavioral health is an important part of a person's well-being and happiness. Our diverse group of behavioral health providers have a breadth of experience and expertise and are sensitive to the various cultures that make up our community. They offer individual treatment that is relevant to each student.

### Behavioral Health Services Include:

- Counseling and behavioral health support
- School-based referrals
- Care coordination with school counselors
- Ongoing behavioral health follow-up
- Psychiatric evaluation and medication management for attention, mood, anxiety, and behavioral concerns

## MOBILE HEALTH BUS HOURS:

- Haunani Louis, NP (Wed)

### BEHAVIORAL HEALTH SERVICES

Mon & Fri - 8am to 3pm

#### PROVIDERS:

- Antoine Khalil (Mon)
- Tami Swonigan (Fri)

**School-Based Health Center (SBHC)** health care is provided through school and community health partnerships in collaboration with school administration and health services staff. The Center for Disease Control (CDC) and the CDC Community Preventive Task Force recommend school-based health centers as an evidence-based model that improves educational and health outcomes. Wahiawā Health has partnered with Leilehua/Mililani/Waialua School Complex administrators, principals and Hawaii Keiki Nurses.
